MEMORANDUM

TO: Docket File 04-00396

FROM: David Foster, Deputy Chief
Utilities Division

SUBJECT: Docket 04-00396, Entergy Arkansas, Inc. Tariff Revisions for Revised Decommissioning Cost Rider M26 and Revised Grand Gulf Rider M33.

The above captioned docket was opened upon Entergy Arkansas, Inc.'s filing for revised tariffs. The Company included a twenty-five dollar (\$25) filing fee assuming it was required. Upon review, the filing should be set as a tariff filing as opposed to a docket file; accordingly, I request that the docket file be closed administratively. The filing will then be opened as a new tariff filing.

This matter has been discussed with Darlene Standley.
